

SPONSOR A STUD FUNDRAISER

What is a Habitat Stud?

They are 2x4 boards used to frame the exterior and interior of a Habitat home. It takes over 300 of these studs to frame a Habitat home.

Studs will be available to sponsor at the cost of \$50 each.

Decorating Your Stud

Once you receive your stud, you can decorate it with your name, logos or message to the family who will live in the home. Be creative but make sure it is flat.

What Now?

You will be invited to our Stud Finder event where you will be able to find your sponsored stud in the frame of the home.

The stud sponsor fundraiser will end on May 1, 2017.

Those with interest in sponsoring a stud may contact Habitat Office Manager Phyllis Bond at Brown County Habitat at bcihfh@att.net or call 812-988-4926.
